

SAVE NOW*

When You Fill Your Depakote/ER/Sprinkle Prescription

Up to **\$75** OFF*
(after initial \$5 patient payment)

Present this coupon with your prescription. Restrictions Apply.*
Offer valid for self-pay patients only.

Patient Instructions:

Present this Depakote/ER/Sprinkle coupon when purchasing your prescription in order to receive a discount. This coupon is only valid for self-pay patients and cannot be used in conjunction with private insurance. You pay the first \$5 of your cash payment on qualified prescriptions and the discount covers up to the next \$75 off of your remaining out-of-pocket expenses.

This coupon is valid at mail-order pharmacies. Mail-order pharmacies may have different requirements, so please contact them directly for redemption instructions.

Pharmacist Instructions:

Offer only valid for self-pay patients. Please submit the claim as U&C. For pharmacist questions, please call OPUS Health at: **1-800-364-4767**.

This offer may be changed or discontinued without notice.

***Eligibility Restrictions:**

This coupon is the property of Abbott Laboratories and must be surrendered upon demand. **This program is not valid for prescriptions reimbursed under Medicare, Medicaid, or similar federal or state programs or private insurance. Offer also void in Massachusetts and where prohibited by law.**

Please see Uses and Important Safety Information, including risk of liver problems, pancreas problems and birth defects at <http://www.DepakoteER.com>.

Full Prescribing Information available at <http://www.DepakoteER.com>.
